## Draaibanken - Leopoldo Pontiggia - SFE / CC 950 1R - MACH-ID 7200

Discover the efficiency and reliability of the robustly designed Leopoldo Pontiggia SFE / CC 950 1R metalworking machine. Manufactured in 1982, this machine showcases timeless quality in design and solid operation characteristics, with dimensions of 2800mm in height, 2800mm in width, and an impressive length of 6800mm.

This used SFE / CC 950 1R offers an impressive DBC Turning Length of 2500mm and a superior Swing over bed of 1900mm. The device lends itself to precision works, ensuring exceptional results with its Swing over cross slide dimension of 1520mm. Furthermore, it possesses a powerful Spindle bore measurement of 102mm and an impressive 45 kW Spindle power. In addition, with a Tailstock spindle of 130mm and a Stroke pinole of 300mm, the machine guarantees precise and efficient work performance.

Suitable for various applications, this second-hand SFE / CC 950 1R machine is ideal for any firm seeking high-end, reliable, and superior functioning metalworking machinery. It's no wonder that Leopoldo Pontiggia stands out as a preferred choice among industry professionals.

At Mach 4 Metal, we offer carefully selected metalworking machines that assure consistent quality in results. Choose the Leopoldo Pontiggia SFE / CC 950 1R metalworking machine – where high capacity meets dependability.

If you are interested in the Leopoldo Pontiggia SFE / CC 950 1R or have any inquiries, do not hesitate to contact us. Our team of professionals will be pleased to cater to your demands and offer you the machine that best suits your firm's metalworking needs.
